"Namaste.  
I honor the place  
in you where the  
entire Universe  
resides. A place  
of light, of love,  
of truth, of peace,  
of wisdom.  
I honor the place  
in you where  
when you are in  
that place and I  
am in that place  
there is only  
One of us."
